## Hello, Proud Mitsubishi Owners!

We want to personally invite you to the very special Private PRE-SALE event at all our Don Herring Mitsubishi locations, before our very much anticipated, annual **M.O.D.** event. In a show of appreciation we are hosting a **M.O.D. 2010** on July 24th and offering unbeatable deals all month too! Join us for our Show n' Shine Competition with prizes and raffle prizes. We didn't forget about the kids - bounce house, face painter, ballon twister and more! You can log on to donherring.com and click on the M.O.D. logo for more details and to register your Mitsubishi for the Show n' Shine car competition.

Come see the exciting, new i-MiEV, Mitsubishi's fully electric car at the Plano store on Friday and Saturday, July 16th and 17th. It will also make an appearance at the M.O.D. event at the Irving store on Saturday, July 24th.

We are family owned and operated and have been in the Metroplex for over 30 years. We have the largest Mitsubishi inventory in Texas and the 3rd largest parts department in the country with more Mitsubishi Master Technicians than anyone else in North Texas!

Please visit one of our 3 Facilities during this Special Private, PRE-SALE event, and meet our professional sales and service team. While you are here, why not check out the incredible savings we are offering to our best and loyal customers, and even test drive one of our new 2010 Mitsubishis that just arrived.

We look forward to seeing you this week. The best inventory will not last long, so get here soon. Log on to [www.donherring.com](http://www.donherring.com) for more information.
